

Liability Disclaimer

MaryJane Bembenek, MS, CNS, CKNS, LDN (of Everyday Nutrition LLC) is not a physician or psychologist, and the scope of her nutrition consultation services do not include treatment or diagnosis of specific illnesses or disorders. If you, the client, experience a medical emergency, a worsening of any health condition, or if a new condition arises, then you should consult a licensed physician immediately.

MaryJane Bembenek cannot prescribe prescription drugs. Any discussion of prescription drugs during a consultation is solely for the purposes of understanding your health history as well as identifying any potential risks for nutrient-drug interactions. MaryJane Bembenek does not make any assessments or judgments concerning the appropriateness of any prescription drug(s) that you take. Any change in prescription or dosage is a decision that you and your physician make.

Rather than dealing with treatment of disease MaryJane Bembenek focuses on wellness and prevention of illness through the use of whole foods, diet plans, nutritional supplements, and other non-toxic, therapeutic nutritional therapies to achieve optimal health. As a licensed dietitian nutritionist (LDN), certified nutrition specialist (CNS), and certified ketogenic nutrition specialist (CKNS); MaryJane Bembenek educates and motivates clients to assume more personal responsibility for their health by adopting a healthy attitude, lifestyle, and diet.

While people generally experience greater health and wellness as a result of embracing a healthier attitude, lifestyle, and diet, MaryJane Bembenek does not promise or guarantee protection from future illness.

As a client of MaryJane Bembenek, you have a responsibility to provide a complete and accurate account of any of your past or current medical conditions as well as to inform her of any prescription drugs you take.

By signing below, you acknowledge that you understand that MaryJane Bembenek is a nutritionist and not a physician, and therefore will not be held liable for failure to diagnose or treat an illness, nor will she be liable for failure to prevent future illness.

You also acknowledge your responsibility to consult with a licensed physician if you believe you have a health condition requiring medical attention.
